And so went on the 1st Coniston Cubs into the future.

Under the leadership of these fine Scouters, they learned many things and enjoyed life some what more. They learned the meaning of cubbing and all the glory that goes with it, including the Jungle Dances and games. They held a parents' night in the spring.

Presenting of the colours:

Coniston's new Boy Scout Troop and 2nd of Cub Pack on Wednesday night received their banners at a supper held in Coniston Anglican Church Parish Hall. Some of those participating in the movement in Coniston who were present were, R. L. Smith, group Chairman, Verrell Price, Ass. Cubmaster, J. Rogerson Scout Master, H. Schmidt, finance director. G. Evershed, A. Eastwood Ass. Cubmaster.

During the evening, three conservation films were shown to the assembled Scouts & cubs.

Two Church parades were held when the banners were dedicated. In the morning the boys attended the Anglican Church where Rev. A. Chabot officiated, and in the evening the parade was held in the United Church where Rev. Cox dedicated the colours.
